Kristi English serves as Development Manager for Trammell Crow Company (TCC). She is responsible for overseeing the planning, design and construction related activities of new office, industrial, retail and mixed-use development projects for the Austin Business Unit. English has over 16 years of experience in Central Texas and has been part of more than 4 million square feet of development.

Most recently, English has completed a 500,000 SF Class A office building in downtown Austin including the overseeing of tenant improvements throughout the building. Additionally, she has completed 240,000 SF of industrial buildings encompassing site and infrastructure improvements for a new industrial campus on the east side of Austin.
